Armed Forces Health Surveillance Center Contact

ESSENCE: Number of clinic visits due to influenza-like illness (ILI) have increased in California, South Carolina, New York and New Jersey. The period of initial clinical impact from novel influenza A/H1N1 appears to have occurred between 16 April and 23 May 2009.

-IMPORTANT-

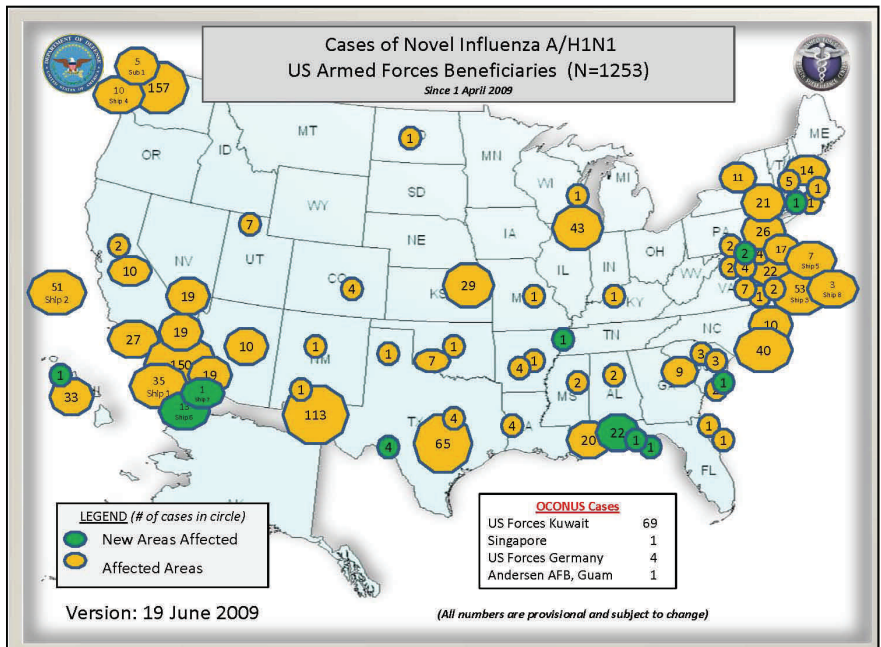

DoD MTFs should report all novel H1N1 case results from reference laboratories to the appropriate service hubs listed below
